

# The Three Millimetre Society Information Sheet

## Tri-ang TT3 Spares Service

**Issue 11**

**January 2026**

Orders and Enquiries to:

**Mark Haynes** using the contact form or the email address in the Newsletter

This list is by no means complete. Please enquire if you cannot see a certain item.

Prices effective January 2026. Order by E Mail or Post with SAE. Payment via Pay Pal or Cheque, same process as for Secondhand.

### Armatures

Some new old stock / second hand 5 pole armatures are available. Prices will be as for 3 pole armatures plus £ 1.00. please enquire about availability.

### Kitmaster.

I do carry some stock of Kitmaster parts. Please enquire.

### Peco Wonderful wagons.

Various items are available either new old stock or secondhand. Please enquire.

### Triang Spares Sundry small items available. Please enquire.

### New items to suit Triang.

We have introduced some new items to cover for certain hard to get items . Please see the relevant section on page 4. Prices for these items reflect the high cost of developing and making such items.

### Additional Services

I can carry out servicing to Triang mechanisms. In all cases the cost will be £ 8.00 plus spares and return postage. Please enquire.

Replacement Neodymium magnets for Triang Locos are available, for all except the A1A at £3.50 and for the A1A £4.00 plus p&p.

### Notes on Lists

Locomotive identification by Code:

T90	Jinty	0-6-0	T96	Diesel	A1A-A1A
T91	Castle	4-6-0	T97	Britannia	4-6-2
T93	Merchant Navy	4-6-2	T99	Prairie tank	2-6-2
T95	Diesel shunter	0-6-0	T190	DMU Power Car	

POA = Price on application

OOS = Out Of Stock

Some screws are getting difficult to obtain when ordered, but the next time they may be freely available. This is why these are shown as POA. Where POA is shown under spares I may need further information.

Please use specific part numbers when ordering, Service sheets can be provided on request by E Mail or by post with a SAE.
